# AET Mobile for Teachers

Purpose: *The purpose of this guide is to outline how to access AETmobile for teachers and important features to help teachers manage their ag program!*

Step 1: Access https://m.theaet.com – on your mobile device

Step 2: Save to your mobile device "home screen" – adds the AET icon to your homescreen for easier access

For IPhone users:

For Android users:

Step 3: Login using SAME credentials as the main site:

Teachers use:
- AET Username
- AET Password

Step 4: Start Using AET Mobile for Students – Key features are:

Click here to access your bar code for PD attendance

View your program's POA calendar and add event photos

Record Your Teacher Journals
(Develops reports to support your extended contract)

Access ALL of your student contact information & password reset option

Record SAE visits for your students & add photos to their SAE
(Also creates a Teacher Journal Entry)

Access your state teacher directory
(ONLY teacher access)
